## In the United States Court of Federal Claims

No. 13-465C (Filed: March 27, 2017)

## **ORDER**

On March 24, 2017, defendant filed an unopposed motion for a 10-day enlargement of time within which to file its reply to plaintiffs' response to its brief addressing the payment of expenses in connection with plaintiffs' motion to compel. For good cause shown—defendant seeks additional time to fully reply to plaintiffs' response and lengthy attachment, and to coordinate its reply with other obligations, including review of the privilege log in this case under the Court's March 7, 2017 order—the court **GRANTS** defendant's motion. Defendant's response is now due on or by April 6, 2017.

## IT IS SO ORDERED.
